The logo consists of the lowercase letters 'hdf' in a white, serif font, set against a solid green rectangular background.A photograph of two doors side-by-side. The door on the left is dark brown wood with a brass knocker and a mail slot. The door on the right is white with a brass knocker, a mail slot, and a brass doorknob. Both doors have small windows at the top.

Opening Doors to Opportunity

For two decades, HDF has worked with funders, developers and the public sector to deliver affordable housing solutions that work for families and communities. Our counseling and foreclosure intervention services as well as residential and multi-family lending programs keep homes within reach, for southwestern Connecticut families.

HDF has helped clear the way to finding and keeping affordable homes for more than 1,000 Connecticut families.

Opening Doors to Opportunity
